OUR MOTTO

OUR STATEMENT OF FAITH

We believe the Bible to be the inspired, authoritative, and infallible Word of God. (II Timothy 3:16)

We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. (I John 5:4-6)

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless Life, in His vicarious and atoning death through His shed blood, in His bodily resurrection, and in His ascension to the right hand of the Father, and in His personal return in power and glory. (I Corinthians 15:3; I Peter 2:21-30; John 3:16)

We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential. (Romans 3:21-30; Galatians 4:4-7)

We believe the redemptive work of Christ on the cross provides healing for body, mind, and spirit in answer to believing prayer. (Isaiah 53:5; 1 Peter 2:24; James 5:14-16)

We believe in the present ministry of the Holy Spirit who indwells every believer and operates in all believers in the power and gifts of the Spirit, manifesting them as He wills. (John 14:16; Acts 1:5-8; Acts 2:2-4; 1 Corinthians 12:14; Galatians 5:22)

We believe in the resurrection of both the saved and the lost-they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation. (John 5:24, 28-29) We believe in the spiritual unity of believers in our Lord Jesus Christ and seek community together to "become more and more in every way like Christ who is the head of His body, the Church."(Ephesians 4:16)

When discipline is used, it should be consistent. The age and individual needs of the children are considered. When children are engaged in enjoyable activity, the need for discipline is diminished. When a child is having a difficult time following directions or treating others or equipment with respect, developmentally appropriate guidance techniques are used. These techniques are as follows:

- F. **Behavior Reports:** All Staff must carefully and accurately document behavior problems in order to adhere to the steps outlined in our Behavior Management Policy. This report is designed to make parents and management aware of reoccurring or extreme discipline situations with a child in the classroom.
- G. **Parent Meetings:** When all steps have been followed to change behavior without positive results or when an extreme behavioral situation occurs, management will schedule a parent meeting in order to discuss the behavior of the child and discuss corrective measures. Corrective measures agreed upon with the parent will be documented and implemented with pre-determined resolutions.
- H. **Disenrollment:** If the unacceptable behavior continues after the parent meeting, the child is subject to immediate disenrollment from the center. Although this is an extreme step to take, there are times when this decision must be made to protect the health, safety and well-being of other children and staff at the center.

Excell Preparatory Center has a low-tolerance policy for certain behaviors. These behaviors include, but are not limited to: biting, kicking, scratching, disrespecting an adult, using profanity, spitting, or causing injury to others. If these behaviors are recurrent, the contract may be terminated immediately.

BITING POLICY

Sometimes toddlers and some older infants resort to biting for many reasons. A child overwhelmed by anxiety may bite. An infant or toddler that is cutting teeth may bite. It is difficult and frustrating for the Parents, the children, and the caregiver involved. Our policy is to attempt to stop the biting by observing and documenting the episodes. Through observation a pattern can often times be determined. We encourage the parents not to play biting games with children as this tends to encourage the wrong behavior.

In light of the fact that biting does cause injury to others, long-term, non-determined biting cannot be tolerated. Parents will be asked to remove their child from the center in the event this occurs.

PARENT COMMUNICATIONS

Effective communication is critical to the success of any business. With that in mind Excell utilizes the following methods to keep parents informed.

- ProCare Parent Engagement App will be used to keep parent abreast of classroom activities as well as school wide functions.
- Notices and updates will be noted in ProCare to be viewed when parents sign in or out.
- The parent board in the lobby will be used to post major activities.
- The marquis in the front of the building will be used to post major activities.
- The Diamond Times is published quarterly to inform parents of school happenings.
- Email and text message notification will be used for mass distribution of important information.
